We appreciate your business, friendship and loyalty as we have grown together over the years. It is hard to believe we are entering our 77th year of service.

It is so nice to see generations of members visiting AAC for their financial needs. Friend and family referral remains our largest source of new business, and we regard this as the highest compliment.

Here's to you, our members, sending you best wishes for the coming holiday season.

Credit Union Week Fact:

The Credit Union League of Massachusetts celebrated the first official holiday for credit unions and members. They selected January 17 because it was the birthday of America's "Apostle of Thrift", Benjamin Franklin who early credit union founders believed symbolized 'the life and teaching embodied in the spirit and purpose of credit unions.' Credit Union Day was later moved to the third week of October.
